PROMOTE REAL CHANGE

Change is exactly what Fayetteville needs in regards to panhandling. The new City of Fayetteville panhandling ordinance encourages all citizens to help change the panhandling culture. STOPPING AT INTERSECTIONS TO GIVE MONEY TO PANHANDLERS IS DANGEROUS. There are some things you should know about panhandling.

NOT ALL PANHANDLERS ARE HOMELESS

- NOT ALL PANHANDLERS ARE HOMELESS AND NOT ALL HOMELESS ARE PANHANDLERS
- When you give to a panhandler, there is a pretty good chance you are contributing to a profession, not someone who needs a little money for food and survival
- It is easy to sympathize with the person, however MANY OF THE PANHANDLERS USE THE MONEY FOR DRUGS AND ALCOHOL, so that's not helping anyone, only making it worse
- The only way to stop panhandlers from stopping drivers at intersections, which slows traffic and can cause wrecks, is to TELL THEM THAT YOU CANNOT HELP THEM. Giving any stranger money is dangerous. That is why there are charitable organizations and a homeless project officer at the Fayetteville Police Department to assist the homeless and their special needs
- Truly, you are helping panhandlers and your fellow citizens by saying no
- Panhandlers know where to go to make money and if no one gives them money, they stop panhandling

WHAT YOU SHOULD DO IF YOU ARE APPROACHED:

- Tell the person that you do not have any money or that you do not carry cash and KEEP WALKING
- Call 911 immediately if you feel threatened or if the person is acting in a suspicious manner
- Tell the person to contact someone on the attached information card for shelter and food.
