

### Incidental Home Occupation Zoning Requirements

A home occupation shall be permitted as an accessory use to any principal dwelling unit, provided that the accessory use will not change the character of the residential neighborhood in terms of appearance, noise, orders, traffic, or other impacts.

Home occupations shall be subject to the following standards:

1. The business or service is located within the dwelling or an associated accessory building which may include an accessory dwelling unit, and does not exceed 20 percent of the heated floor area of the principal structure or 600 square feet, whichever is less. In no instance shall more than one home occupation use be conducted on a single lot.
2. The principal person or persons providing the business or service resides in the dwelling on the premises.
3. The home occupation employs no more than one person on the premises who does not reside on the premises.
4. The home occupation causes no change in the external appearance of the existing dwelling and structures on the property.
5. All vehicles used in connection with the home occupation are of a size, and located on the premises in such a manner, so as to not disrupt the quiet nature and visual quality of the neighborhood, and there are no more than two vehicles per home occupation. In no instance shall any vehicle with a gross vehicle weight rating exceeding 10,000 pounds be parked, stored, or otherwise maintained at the site of a home occupation.
6. Home occupations shall not result in regular and on-going vehicular traffic to the home where located.
7. There is sufficient off-street parking for patrons of the home occupation, with the number of off-street parking spaces required for the home occupation to be provided and maintained in addition to the space or spaces required for the dwelling itself.
8. Except as may be provided for in Table [30-5.L.6](#), there are no advertising devices on the property, or other signs of the home occupation, which are visible from outside the dwelling or accessory building.
9. The property contains no outdoor display or storage of goods, equipment, or services that are associated with the home occupation.
10. Wholesale or retail sales of goods do not occur on the premises.
11. The home occupation does not create traffic or parking congestion, noise, vibration, odor, glare, fumes, or electrical or communications interference which can be detected by the normal senses off the premises, including visual or audible interference with radio or television reception.

The above requirements have been explained to me and I understand and agree to abide by the zoning requirements of the City of Fayetteville.
