Date: Monday, September 27, 2021 8:29:04 AM

Good morning,

After looking at the interactive maps, I would like to request some data information.

Based on the current map and possible maps A, B and C :

What is the % of land that can possibly be used for residential development over the next 10 years in District 9 ?

Thank you in advance,

I am requesting that Council d some outreach engagement with the public.
