Replacing Water Heater check which is included: electrical gas line water piping condensate piping			
Replacing Generator check which is included: switch gear electrical feeder wiring gas piping			
Describe work to be performed:			

Process:

This application is for use with the E-Development Portal only. If other contractors are part of your project, you must use the *invite contacts* function on the project page to allow them access to the project using the e-mail they made the account with. *The City of Fayetteville cannot grant access to anyone for your project*. The contractor must have an account with the E-Development portal to upload applications and request inspections. E-mails are sent when the application is ready for payment and can be made through the portal.

Information is sent via e-mail so ensure that "City of Fayetteville. noreply@idtplans.com" is white-listed for your e-mail provider. Please check if e-mails are in spam or junk folders. Any e-mail that is non-deliverable automatically deactivates your account.

When the permit is issued, you can request an inspection through the project page using the inspections function.

All permits, inspection results, Certificate of Occupancy/ Compliance, payment receipts, etc. are found on the project page for you to print for your records if you so choose.
